**INVITATION**

International Marketplace and Exhibition of Minerals and Jewellery is the most important part of Lwówek Achate Summer Festival, which has taken place in Lwówek Śląski since 1998. The exhibition attracts a lot of guests. The stands of the marketplace are placed outdoor and each of them is covered and lit. Apart from selling minerals and jewellery, the administrators provide the opportunity to attend in the competition for the most interesting collection of minerals (with the independent set of regulations). There are also minerals connected workshops, lectures and slide shows.

The Marketplace rules

§ 1  
Terms and Conditions for being granted a stall or place to set a canopy at IMAITF XXIII LLA:

- 1 - It is required that an application form is filled out in a legible manner (with capital letters), correctly (in all applicable sections) and sent over to the organizer's office before the deadline of 30 May 2021 (applications forms sent after that date will be accepted only on a reserve list).
- 2 - Exhibitor must also be provided by the organizer with a confirmation of being granted a stall or a place to set a canopy up either by post, email or over the phone (due to a limited number of places, both the order of sending submissions as well as the quality of the proposed mineral collections, fossils and jewellery craftsmanship products matter).
- 3 - By the handwritten signature the exhibitor must confirm they acknowledge and accept the conditions of participation in IMAITF LLA.

§ 2  
Exhibitors who have been approved by the organizer to take part in IMAITF LLA are provided with:

- 1 - exhibition stalls with roof covers and lighting with a display area of 2 square metres or a place to set a canopy (all stalls and places are tantamount, and it is solely the organizer's right to allocate them).
- 2 - electricity from electrical outlets 230V (on the condition of specifying such a requirement by filling in the area that says: „Additional remarks and requests for the organizers" on the APPLICATION FORM)
- 3 - the opportunity to present and sell throughout the three days of the event:

17.07 (Friday) from 3.00 p.m. to 8.00 p.m.

19.07 (Sunday) from 10.00 a.m. to 6.00 p.m.

All the stalls at the fair are located in the area protected by security and because of that exhibitor is expected to strictly follow the schedule of assembly, opening, presentation and dismantling of the exposition:

- 1 - assembly of the exposition:  
17.07. (Friday) from 9.00 a.m. to 3.00 p.m.

19.07. (Sunday) from 6.00 p.m. to 8.00 p.m.

§ 4  
Cars are allowed to temporarily stop within the area of the fair solely at the time planned for assembly and dismantling of the expositions. Leaving the car by an exhibitor in the mentioned area beyond those time limits will be considered violating the rules and regulations of IMAITF LLA.

§ 5  
Full payment (regardless of the time of stay) for the stall is unconditionally due on the second day of the fair after a valuation has been carried out by the organizer (exhibitor's participation in the contest exhibitions, based on separate regulations, does not cancel fees payable at the fair).

§ 6  
Fees payable for stalls at IMAITF LLA:

- 1 - for a granted permanent stall (a table with a roof cover and lighting of a display surface of 2 square metres):  
400 PLN + VAT - display area for products or both minerals and products.  
200 PLN + VAT - discounted fee - in case of displaying only unprocessed minerals, specimens for collectors and/or fossils.  
150 PLN + VAT - members of Mineralogical Societies and Associations, who paid for their membership fees in full, and who only display unprocessed minerals, collectors' specimens and/or fossils. (Stall displaying jewellery craftsmanship products or mixed products exposition - meaning products and minerals and/or fossils - is not allowed a discount).

§ 7  
During IMAITF LLA all exhibitors are obliged to:

§ 8  
Only mineral specimens (natural and synthetic), ornamental stones, semi-precious stones, gemstones, fossils, amber, etc., as well as products made out of the aforementioned, may be displayed on the stalls of IMAITF LLA. Any attempts to exhibit artwork/products not specified on the exhibitor's application will entail losing the stall and being removed from the list of the exhibitors of IMAITF LLA.

§ 9  
All exhibitors are expected to adhere to all rules and regulations stated in § 3 of the fair's schedule. Causing a delay to open a stall, move-out or dismantling the granted stall before the fixed closing date without a clear justification may result in a loss of the granted place and being put on a reserve list.

§ 10  
In the event exhibitor, who has been approved to participate in IMAITF LLA, seeks to withdraw from the exhibition for various reasons, it is required that he or she will immediately inform the organizer of their resignation from the granted stall.
